PROPOSAL

October 3, 2025

**TO: Nathaniel Rainwaters
Haggerty Construction, Inc. - Stockton**

RE: Haggerty- Five Star Bank-Lodi

3D Technology Services is pleased to provide our low voltage proposal for Labor & Material on the above-referenced project. **This proposal is for data cabling and IT room rack.** Project requirements and information was obtained from Document: Reynolds Ranch - Five Star Bank Test Fit 2025-09-15 and an email from Nathaniel Rainwaters on 10/3/2025.

STRUCTURED CABLING SYSTEM: \$ 8,382.00

Structured Cabling System

- Provide and install **(10)** data drops with (2) cat 6 cables per drop.
- Provide and install **(3)** data drops with (1) cat 6 cables per drop.
- Provide and install **(2)** cat 6 cables from DMARC to I.T. closet.
- Provide and install **(1)** wall mount racks for data equipment.
- Provide and install **(1)** 48 port patch panel.
- Provide terminations, labeling, and certifying for installed cables.

Clarifications:

- 1. This is NOT a PREVAILING Wage Project.**
- Systems pricing is based on plans provided to 3D Technology Services. Additional devices may be required per comments or adjustments by Builder/owner, General Contractor, Building Department or Fire Marshall's office. If additional devices are required, a change order will be issued for the difference in price.
- Our pricing is based on a normal schedule of work, not an accelerated schedule.
- Our proposal is based on payment to 3D Technology Services being conditioned only to the faithful performance of its obligations.
- Our proposal number is based on 3D Technology Services utilizing our internal labor force.
- 6. Our proposal is based on the plans dated and referenced above.**
- We will comply with the Insurance requirements and Project qualifications.

PROPOSAL

8. Warranty requirements are included, as specified. This proposal comes with a manufacturer's warranty.
9. This proposal assumes that the electrical contractor will provide conduit pathways, cable tray, sleeves, and fire sleeves between all the IDF rooms and door.
10. Submittals only for this project are provided by 3DTSI. Shop drawings & specifications for this project are only provided upon request at additional cost.
11. Any labor, systems, materials, or components not specified above is excluded from this proposal and scope of work.
12. Work does not require a lift.
13. Lift is not included in this proposal.
14. The above quotation is good for 30 days.

Exclusions:

1. **Performance and/or bid Bond. If any bonding is needed an additional 2.00% will be added to the above quotations and any change order.**
2. Overtime or shift work (Proposal based on standard 40-hour work week – during normal business hours of 7:00 a.m. – 3:30 p.m.), unless stipulated.
3. Assumption that all pathways are to be accessible.
4. All patch cabling work to active equipment within the Media Cans, IDF rooms, and at the workstation locations.
5. All copper and fiber patch cables are not included in this proposal.
6. All systems start up and annually renewal system license fees.
7. Demolition of existing cables.
8. Conduit
9. Rental of lift.
10. **All Permit and inspection fees for the city building department and City Fire Marshall's office.**

We look forward to teaming up with you on this important project. If you have questions or need clarification, please call me at 510-333-0911.

Sincerely,

Kenny D. Moore
